

SATSOP DEVELOPMENT PARK

2006

MEETING SPACE AVAILABLE

An offer for those seeking a place for conferences, meeting and retreats

Unique location popular for meeting, training and retreats

Many businesses and organizations recognize the benefits of off-site meetings and training. In the past, it has sometimes been difficult to find a convenient, low-cost site. The Satsop Development Park now offers meeting facilities for all size meetings, conferences, retreats and training sessions. The Satsop Development Park has a multitude of options available in an attractive, unique location.

GRAYS HARBOR CHAMBER OF COMMERCE

“We were delighted to discover the meeting space at Satsop. We have used the space for a board getaway, for strategic planning sessions, for training classes and for business roundtables. The site is conveniently located, yet away from work; bright with large windows to see across the park; and comfortable accommodations with a kitchen. It is just what we were looking for.”

--LeRoy Tipton, President

Special Features

Satsop Development Park has conference space for all size groups. Additionally, a full array of services are available for your meeting:

Tables and chairs: Available

Parking: Free and plentiful

AV Equipment: Available on site; special room equipped with light-blocking blinds

Kitchen: Fully functional kitchen (220 sq. ft.)

Caterers: Several area restaurants regularly provide catering service to the Park. (See links on our website.)

Cleaning Fee: \$100 per day

Directions for Meeting Participants: Clear, easy-to-follow directions are downloadable from the Satsop website

Lodging/Restaurants: Nearby lodging and a variety of restaurants. Oaksridge Golf Course also nearby. See website links.

More information: Call Sandi DeLoe, Administrative Services Manager, at 360-537-4397, Ext. 1584, or via e-mail at sdeloe@satsop.com
