

Assumption Parish Police Jury Public Meeting Notice
Coastal Community Fishery Recovery Program
Wednesday, January 27, 2010 at 4:00 p.m.

The Federal Fishery Recovery Program was established to revitalize Louisiana's commercial fishing industry impacted by Hurricanes Gustav and Ike.

There will be a public meeting to explain these programs on Wednesday, January 27, 2010 at 4:00 p.m. in the Assumption Parish Police Jury Meeting Room.

Under this initiative, there are four programs which are designed to help Louisiana commercial fishermen and wholesale/retail seafood dealers recover expenses from the devastation of both storms. Each program is designed to stimulate economic revitalization by maintaining employment in the commercial fishing industry and providing viable resources to commercial fisherman. The programs are:

- Gear Technology Program
- Commercial Fisherman Grant Loan Program
- Coastal Communities Fisheries Recovery Program
- Wholesale Dealer Broker Program

Learn more about these programs and how they can benefit your business by attending the program meeting in Chalmette.
