

## **ADVERTISEMENT FOR SUBCONTRACTOR OUTREACH**

### **Porterville Courthouse Superior Court of California County of Tulare**

#### **SUBCONTRACTOR TRADES**

For all Subcontractors who would have interest in bidding on the bid packages for the new Porterville Courthouse. A bid package list is available from Sundt Construction, Inc.

#### **DESCRIPTION**

The project is a new building and site development for a trial court facility comprised of approximately 90,000 gross square feet. The 4 story building (3 stories plus below grade basement) includes but is not limited to all building structure, enclosure, interior improvements, mechanical, electrical, telecommunication, audio visual, and security systems. The site development includes but is not limited to demolition of existing structures, site preparation, underground utilities landscape, hardscape, vehicular drives, surface parking, security barriers, fencing, and gates. The approximately 7.4 acre site is to be cleared of existing structures, buildings, underground utilities, and paving. Furnishing and installation of interior furniture, furnishings, and fixtures will be performed under a separate, but concurrent contract by others.
